St. John Henry Newman— His Importance for the First & Next 25 Years of St. Monica Academy

On the evening of September 19, 2001, Alex Lessard and David Burroughs led a seminar entitled “John Henry Cardinal Newman & Liberal Learning” for the families of the newly opened St. Monica Academy. Now that Newman has been canonized (2019) and named the 38th Universal Doctor of the Catholic Church, Dr. Lessard will again reflect on Newman’s importance to the education of St. Monicans.

Dr. Alex Lessard is the Founder & President of Adeodatus; the Executive Co-Director of The Cornerstone Forum; and the President of Gaudent Angeli. He directs the intellectual formation of Santiago Catholic Trade School students; and teaches Theology for Rosary College and Foundations of Western Education for Catholic International University. He served on the founding board of St. Monica Academy, and currently serves on the Presidential Advisory Board of Wyoming Catholic College and the Board of Regents of Thomas Aquinas College. All nine of Alex and Angela’s children will have graduated from SMA as of June.
